My Project

Here are some of the projects I've worked on, which demonstrate my abilities in frontend development and web design:

My Project 1

my first project was to complete a simple html about myself

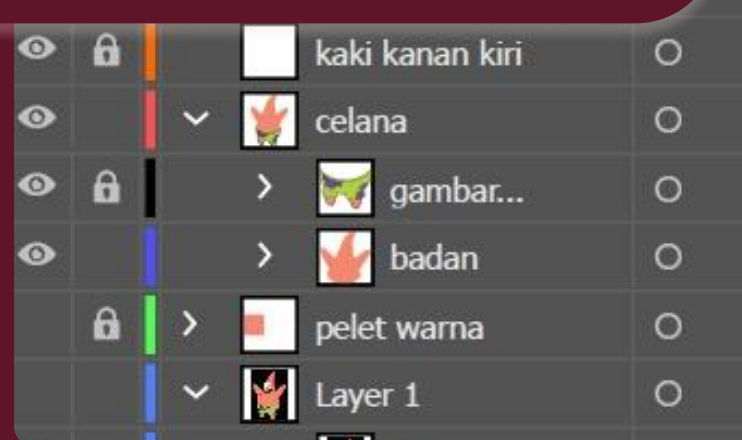

```
<h1> Biodata Diri</h1>

<div class="bio">
  <p><strong>Nama</strong> Bayu Nur Wahyuda</p>
  <p><strong>Umur</strong> 15 Tahun</p>
  <p><strong>Tempat, Tanggal lahir</strong> Depok, 06 april 2009</p>
  <p><strong>Alamat</strong> Jalan Dahlia 1 No 7 Sukamajubaru Tapos Depok</p>
  <p><strong>Sekolah</strong> SMK TARUNA BHAKTI</p>
  <p><strong>Jurusan</strong> PPLG(PENGEMBANGAN PERANGKAT LUNAK DAN GIM)</p>
  <p><strong>Hobi</strong> Futsal</p>
</div>
```

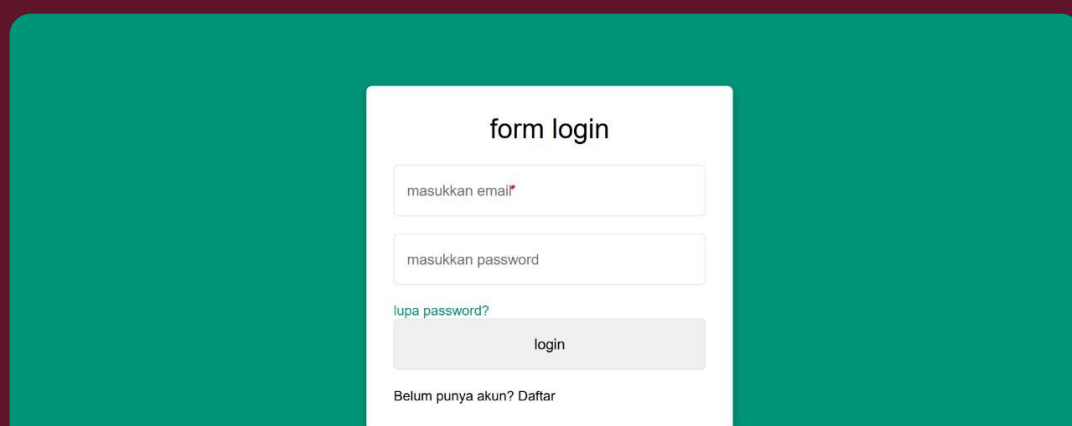

My Project 2

The second project I completed AI depicted Patrick being happy

My Project 3

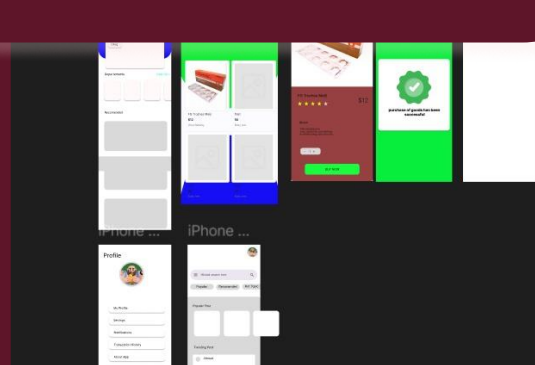

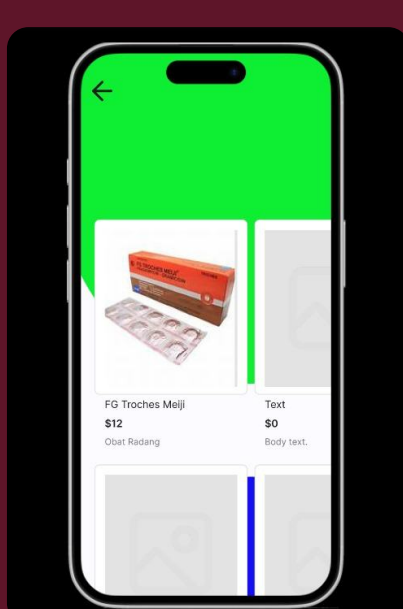

My third project completed a simple form and used HTML and CSS

```
<!-- head -->
<body>
  <div class="container">
    <input type="checkbox" id="check">
    <div class="login form">
      <header> form login</header>
      <form action="#">
        <input type="text" placeholder="masukkan email">
        <input type="password" placeholder="masukkan password">
        <a href="#">lupa password?</a>
        <input type="button" value="login" class="button">
      </form>
    </div>
  </div>
```

My Project 4

My fourth project completed a simple Figma UI UX about health
